Ferrotect M

VCI PAPER or ANTI RUST PAPER

Product Information Flyer

APPLICATION

Ferrotec M VCI PAPER Multimetal grade with/without PE coating. Multimetal grade VCI papers offers corrosion protection to lightweight ferrous parts as well as non-ferrous parts. have a wide spectrum of applications like wrapping of small parts of pumps & motors, Spare parts and tools, small parts of automobile components, lightweight multi-metal castings & forgings, pressed blanks & components, machined parts & components & many more. It can be used as interleaving sheets where multiple parts are stacked inside a box/carton.

FEATURES & BENEFITS

VCI vapors easily migrate to hard to reach areas like drilled holes, crevices etc. and gives effective protection during storage and transit. The Molecular VCI layer does not affect electrical / optical/ mechanical surface properties. It is effective in polluted and humid atmosphere. Eliminates the need of spraying, wiping, dipping or surface preparation.

Environment Concern:

- *Non Toxic
- *ROHS Compliant
- *Recyclable
- *Environment friendly

TECHNICAL SPECIFICATION

| (at 20°C) | Appearance | Grammage | pH |
|------------|-------------|----------|------|
| Ferrotec M | Brown paper | 80-110 | 7.5+ |

Note:

Availability:

1. Custom size and constructions will be made upon request.
2. Available in rolls of standard size in 1.19 m X 100 m

Packaging & Storage:

1. Store in a cool and dry place in a tightly sealed container.
2. Stable at normal storage conditions.
3. Keep away from contaminants prior to usage.
4. Store in original packing for optimum benefits.

PRODUCT SAFETY AND ECOLOGY

The safety instructions and the instructions for environmental protection have to be followed in order to avoid hazards for people and environment. The Material Safety Data Sheets (according to European legislation) contain explicit details for this.

The following hazard designations and classifications into water hazard classes (WHC) have to be taken into account:

WARRANTY

We are responsible for our products in the context of the valid legal regulations. The warranty exclusively accesses for the delivered state of a product. Warranties and claims for damages after the subsequent treatment of our products do not exist. For details please consider our general terms and conditions.
